ProcuraS Hub

B2B SUPPLIER HUB FOR SMES

ProcuraSHub_PitchDeck

.SMEs spend days to find B2B suppliers by phone

.Prices are hidden,middlemen add 30% cost

.SMEs face stocks outs and lose customers

.suppliers can not find real SME buyers

.ProcuraS Hub:Mobile platform that connects SMEs directly to verified suppliers

.SMEs can search,compare prices,order,pay via M-Pesa or Airtelmoney

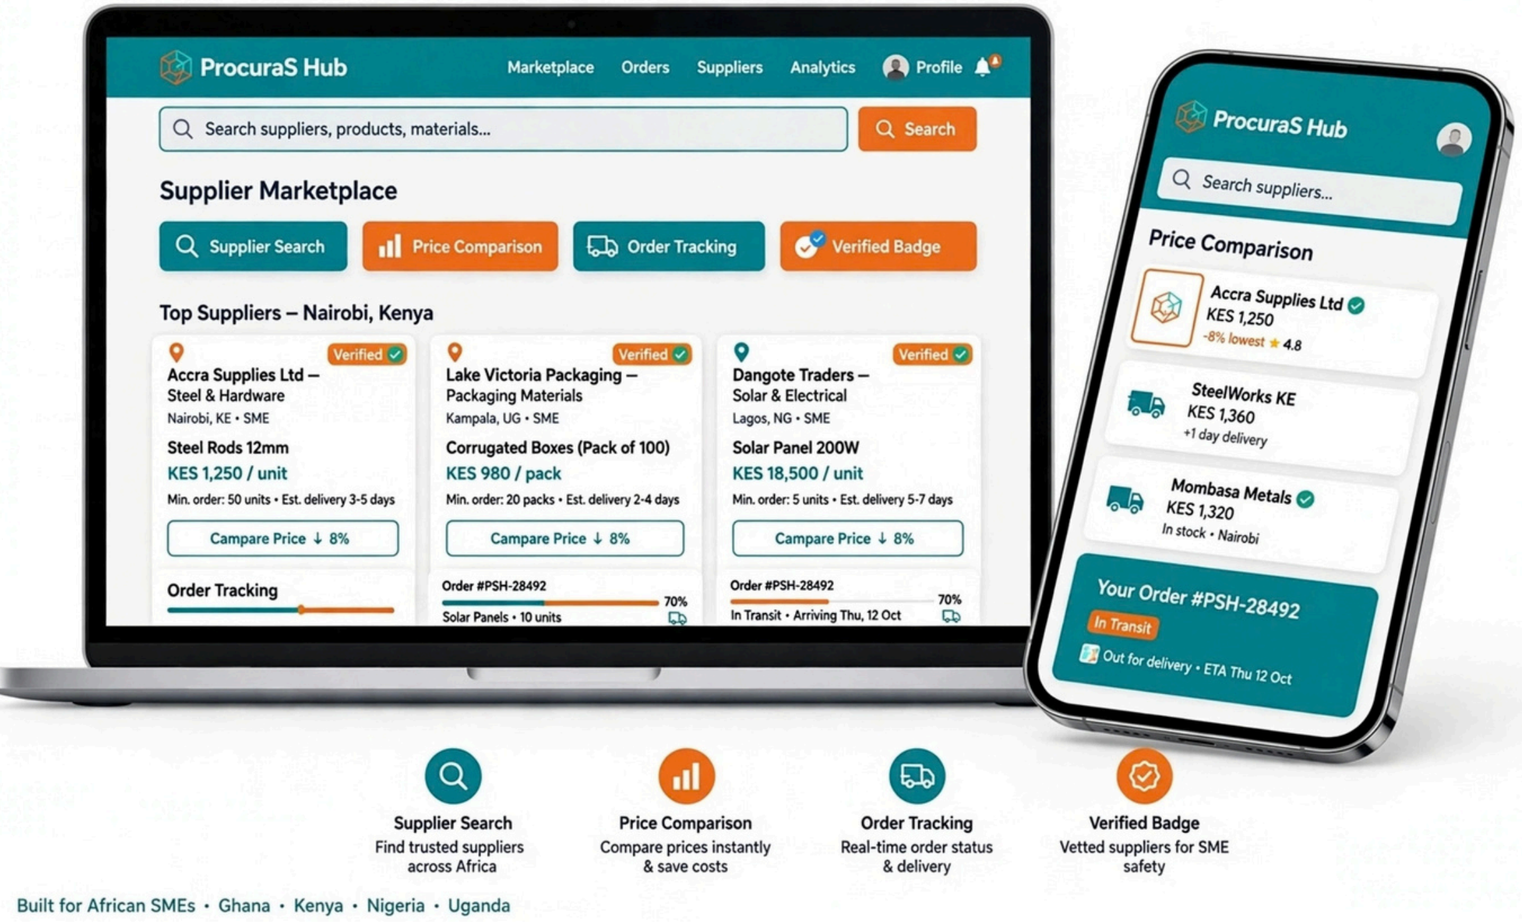

.Suppliers get dashboard to manage orders and reach SMEs

.One B2B hub for the whole transaction

Data projections: Africa e-commerce growth to 2033 | MEA B2B market to 2034 | SME estimates across Africa

ProcuraS Hub

Business Model: How We Make Profit

Four core revenue streams powering sustainable growth

1. Commission on orders
5%-10% on every order

2. Delivery fee
100-300 KES per delivery

3. Premium supplier subscription
2,000 KES per month

4. BNPL & Transaction fee
2% fee

Example:
One shop orders 20,000 KES stock → **We earn 1,500 KES** commission + **200 KES delivery = 1,700 KES**

4. Last-mile delivery

Reliable fulfillment to SME doors

5. Price Transparency & Records

Clear pricing + full transaction history

Only platform offering all 5

Go To Market

How we will reach SMEs

- Social media marketing: facebook,whatApp groups
- Partnerships with SME organizations: Exammple SACCO
- Referral programs: 500 KES for each referral
- Direct outreach to businesses: field agent Market
- Supplier partnerships: Anchor 20 suppliers first Month

We can start in **one Kenyan market/city**, learn from users, and expand gradually

Social Impact

Making business opportunities more accessible for SMEs:

- **Support small businesses** — Help SMEs find suppliers, products, and better purchasing options.
- **Save time and resources** — Make procurement easier and more organized.
- **Expand supplier opportunities** — Give local suppliers greater access to potential business customers.
- **Create business growth opportunities** — Help SMEs access the products they need to grow.
- **Promote digital inclusion** — Move more business purchasing from fragmented offline channels to digital platforms.
- **Strengthen local economies** — More efficient SMEs and stronger supplier relationships can contribute to local

Our Ask

ProcuraS Hub is seeking:

- **Funding** to develop and launch the MVP.
- **SME partners** to test and validate the platform.
- **Supplier partners** to build the initial supplier network.
- **Mentors and industry partners** to guide our growth.
